URGENT

ACTION NOW!

Japanese Knotweed,
Himalayan Balsam,
Giant Hogweed
& other invasive
species are taking over!

IT'S NOT SCI FI!

**Serious negative impact and
cost for industries such as
construction, aquaculture,
tourism & land
management!**

**Costing the Scottish gov't
over £500 million annually!**

**Are you inadvertently
helping these
to spread further?**

COME FIND OUT!

**FREE classes, info stalls
great networking**

Invasive species identification

Do's & Don'ts

KNOW THE LAW!

**Land owners, managers,
builders, contractors,
gardeners, eco warriors**

**Awareness raising
for eco volunteers,
educators, students, gardeners
ALL WELCOME!**

**FALKIRK
INVASIVE
SPECIES
FORUM**
